ORDER

As required by the Court's January 9, 2018 Order [68], the parties submitted the First Joint Status Report [74] on April 9, 2018. Receipt of the report is hereby acknowledged. The Court notes that while a joint funding agreement has not been reached, the Corps personnel acknowledge their obligation to continue to use their best efforts to pursue such an agreement. The parties also acknowledge that the failure to meet the first two milestones should not be an obstacle to the Corps ultimately meeting the final milestone

with a decision on the requests by March 1, 2021.

The next status report of the parties is due in three months.

SO ORDERED, this 9th day of April, 2018.
