I've got it. And guess what? You DON'T want it. I'll be tested tomorrow, but considering what I've been through over the past 4 days, I can say quite certainly that I will test positive. This is a FUCKING NIGHTMARE folks. Be careful if you must be out, unless you're up for a ride to hell and (hopefully) back. It's not just a flu. Trust me.

Lynne Popadak I've been thinking about Tim. The impact he had during his life. The talent that added to ours. How to comfort friends. What to make of his passing. What to say to his family. I could only ever come back to a single statement... Tim, for your time here, for your friendship to so many, and for your love of sharing your biggest passion, we are grateful.
