**WHEREAS**, the City Council of the City of Atlanta (the “**Council**”) is the governing body of the City of Atlanta (the “**City**”), a municipal corporation of the State of Georgia; and

**WHEREAS**, the City has the power to issue its general obligation bonds for the purpose of raising capital to carry out capital improvement programs authorized under the charter of the City, Ga. Laws 1996, p. 4469 (the “**Charter**”), as amended, and the 1983 Constitution of the State of Georgia (the “**Constitution**”) and general laws of the State of Georgia (the “**State**”); and

**WHEREAS**, Official Code of Georgia Annotated, Section 36-82-1, *et seq.* provides that when any municipal corporation desires to incur any bonded debt, as permitted by the Constitution, that an election shall be held in accordance with law; and

**WHEREAS**, Article IX, Section II, Paragraph III (a) of the Constitution grants municipalities in the State, including the City certain supplementary powers to provide services for police and fire protection; street and road construction and maintenance, including curbs, sidewalks, street lights, and devices to control the flow of traffic on streets and roads; storm water collection and disposal systems; and to provide parks, recreational areas, programs and facilities; and

**WHEREAS**, Section 1-102(c) of the City’s Charter grants it certain powers to levy and provide for the collection of taxes on all property subject to taxation; to construct, pave, curb, gutter, improve, maintain, repair, and light streets, alleys, sidewalks, and walkways within the corporate limits of the City; to acquire and construct public ways, parks, public grounds, public buildings, facilities and other public improvements; to build, repair or put in a safe condition a bridge or the approaches thereto; and

**WHEREAS**, the Council has caused a thorough canvass and study of the public improvements, equipment and facility needs of the City and such canvass and study discloses that it is in the best interest of the City to acquire, construct, reconstruct, renovate, repair, improve, provide critical capital maintenance and equip (i) public safety, parks and recreational facilities, including, but not limited to, public safety facilities, recreational, aquatic and greenhouse facilities, a center for diversion services, buildings and equipment for use by police, fire and rescue and emergency medical services (EMS) departments, other related public facilities and improvements (ii) roads, sidewalks, pathways, trails and related transportation, park and playground improvements, including, but not limited to, public sidewalks, traffic control infrastructure and equipment, curbing, bridges, viaducts, greenway systems, playgrounds, pools, trails, paths, bicycle and transit lanes and safety lighting; and to pay the costs of compliance with the Americans with Disabilities Act of 1990 for all such facilities and improvements contained in items (i) and (ii) and other costs incident thereto (collectively called the “**Public Improvements**”); and

**WHEREAS**, the Council proposes that the City issue its general obligation bonds to provide funds to pay or be applied to pay the cost of said Public Improvements, and to pay the costs of acquiring facilities, equipment and property, both real and personal, necessary or desirable in connection therewith, the cost of compliance with the Americans with Disabilities Act of 1990 for such improvements and facilities of the City, and to pay expenses and other costs

incident thereto in accomplishing the foregoing, all at an estimated acquisition, construction, installation and equipping cost not to exceed \$400,000,000; and

**WHEREAS**, the Council has recommended that the money required for said Public Improvements, including costs of issuance, be obtained by the issuance of the City's general obligation public improvement bonds (the "**Public Improvement Bonds**") in an aggregate principal amount not to exceed \$406,000,000, consisting of the following separate issues:

\$213,010,000 General Obligation Public Improvement Bonds for the purpose of paying the costs of the construction, reconstruction, renovation, repair, improvement, critical capital maintenance and equipping of public safety, parks and recreational facilities, including, but not limited to, public safety facilities, recreational, aquatic and greenhouse facilities, a center for diversion services, buildings and equipment for use by police, fire and rescue and emergency medical services (EMS) departments, other related public facilities and improvements and the cost of compliance with the Americans with Disabilities Act of 1990 for such facilities and improvements, and other costs incident thereto;

\$192,990,000 General Obligation Public Improvement Bonds for the purpose of paying the costs of the acquisition, construction, reconstruction, renovation, repair, planning, design, improvement, critical capital maintenance and equipping roads, sidewalks, pathways, trails and related transportation, park and playground improvements, including, but not limited to, public sidewalks, traffic control infrastructure and equipment, curbing, bridges, viaducts, greenway systems, playgrounds, pools, trails, paths, bicycle and transit lanes and safety lighting and the cost of compliance with the Americans with Disabilities Act of 1990 for such facilities and improvements, and other costs incident thereto; and

**WHEREAS**, it appears that the only feasible plan for providing the funds required to finance such Public Improvements is by the issuance and sale of the City's Public Improvement Bonds for the purposes as aforesaid; and

**WHEREAS**, the bonds shall be in the denomination of \$5,000 each or integral multiples thereof, shall be dated the date of issuance, shall bear interest from the date thereof, with interest coming due semi-annually on the first day of June and December in each year, commencing on such dates as the Council shall determine in a supplemental ordinance, at an interest rate or rates not to exceed 5.00% per annum, until paid, and in the principal amounts hereinafter set forth; and

**WHEREAS**, under the Constitution and laws of the State, it is necessary for the officers of the City charged with levying taxes, contracting debts and the like to submit to the qualified voters of the City the question of whether said Public Improvement Bonds should be issued by the City for such purposes and to give notice thereof for not less than thirty (30) days immediately preceding the date of such election at the times and in the manner provided in Sections 36-82-1, *et seq.* and Sections 21-2-540 and 21-2-45.1 of the Official Code of Georgia Annotated (the "**Georgia Code**"); and

**WHEREAS**, pursuant to Sections 36-82-1(d) and 36-82-4.2 of the Georgia Code, the Council, by two-thirds vote, may (i) declare any project which has been established pursuant to any statement of intention related to the Public Improvements to be unnecessary and use the bond funds allocable to such portion of the project to complete underestimated projects or other projects or improvements which are encompassed within the language of the statement of purpose in the election notice or (ii) declare that the purpose stated in the notice related to the Public Improvements is no longer necessary or circumstances have changed such that the expenditure of all or part of the related bond funds is no longer practicable or feasible and, following the publication of requisite notice, elect to expend such bond funds for purposes substantially similar to the purpose stated in the election notice or to reduce the bonded indebtedness;

**NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF ATLANTA, GEORGIA, that:**

**Section 1. Call of Election.** There shall be, and is hereby called to be held in the City on the 24th day of May, 2022, an election for the purpose of submitting to the qualified voters of the City, the questions of whether all or any part of the City's general obligation public improvement bonds in an aggregate principal amount not to exceed \$406,000,000 should be issued by the City for the various purposes of providing funds to pay, or to be applied or contributed toward, the cost of acquiring, constructing, reconstructing, renovating, repairing, equipping, critical capital maintenance and improving (i) public safety, parks and recreational facilities, including, but not limited to, public safety facilities, recreational, aquatic and greenhouse facilities, a center for diversion services, buildings and equipment for use by police, fire and rescue and emergency medical services (EMS) departments, other related public facilities and improvements (ii) roads, sidewalks, pathways, trails and related transportation, park and playground improvements, including, but not limited to, public sidewalks, traffic control infrastructure and equipment, curbing, bridges, viaducts, greenway systems, playgrounds, pools, trails, paths, bicycle and transit lanes and safety lighting and to pay the costs of compliance with the Americans with Disabilities Act of 1990 for all such facilities and improvements contained in items (i) and (ii), and other costs incident thereto.

**Section 2. Terms of Bonds.** The bonds of the proposed bond issue, if approved by the voters, shall be dated as of the date of issuance, shall be in such denomination or denominations, shall bear interest from the date thereof at such rate or rates, but in no event exceeding the maximum rate of interest of 5.000% per annum, shall provide for interest to be payable semi-annually on the first day of June and December of each year, until the bonds are paid in full, all as shall be determined by the Council in a supplemental ordinance, and shall provide for principal to be paid on the first day of December in the years and in the amounts set forth below for the proposed issue of bonds:

\* \* \* [END OF FORM OF NOTICE] \* \* \*

**Section 6. Election and Canvass.** The appropriate officials of the City shall take or cause to be taken all action which is required for holding the election in conformity with the Constitution and laws of the United States of America and of the State of Georgia, including the execution by the Mayor of the City of an agreement with Fulton County, Georgia for all or part of the acts to be performed in the holding of the election and the canvass of the results of the election. The books for registration of voters in the election shall remain open until the close of business on April 25, 2022, unless otherwise provided by the Secretary of the State of Georgia or the election superintendent for Fulton County.

**Section 7. Levy of Tax.** If the bonds of the proposed issues or any one of them is approved by the voters at the election, the Council shall, prior to delivery of the bonds, levy by proper ordinance, an annual direct tax on all property located within the corporate limits of the City, in amounts such that the tax will produce funds sufficient to pay the principal of and interest on the bonds as such principal and interest become due and payable.

**Section 8. Redemption of Bonds.** If the bond issue is approved by the voters at the election, the Council may, prior to the sale of such bonds, incorporate provisions in the bonds which would permit the City to redeem the bonds prior to their stated maturities, to the extent permitted by law, upon terms and conditions to be determined by the Council in a supplemental ordinance. No such redemption provisions shall, however, increase the amount of, or accelerate the time for collection of, any annual tax levy required to be made for payment of the bonds, as specified in Section 7 above.

**Section 9. Sale of Bonds.** The bonds, if approved by the voters at the election, may be issued, sold and delivered at one time or in separate series from time to time, as the Chief Financial Officer of the City may approve. The aggregate principal amount of the bond issue, whether issued at one time and in one series or in more than one series and from time to time shall not exceed the aggregate principal amount approved by the voters, and the other terms and conditions of each series of the bond issue shall conform to those set forth in this Resolution.

**Section 10. Further Action.** The Municipal Clerk of the City is hereby ordered and directed forthwith, as the Election Superintendent of the City, to take such action in the premises in conjunction with the Council as may be provided by law.

**Section 11. Election Notices; Newspaper.** The notices of the bond election published pursuant to this Resolution shall be published in the newspapers and for the periods of time specified in Section 5 of this Resolution, but may also be published in other newspapers and for other periods of time in order to more fully inform the voters of the City. Such other publications of the notice of election may be made in such newspapers, if any, and for such periods of time, if any, as the Municipal Clerk of the City may determine. Such other publications of the notice shall be solely for the purpose of informing voters and prospective voters of the election, and any defect in such other publications shall not affect the official publication of notice of the election or the election.

**Section 12. Conflict; Repealer.** Any and all resolutions in conflict with this Resolution shall be, and they are hereby, repealed. This Resolution supersedes any and all resolutions or parts of resolutions in conflict with this Resolution.
