These criminals facilitated and encouraged domestic terrorism with no regard for others, watching as communities faced the destructive consequences of their actions. Here in Georgia, we DO NOT allow that to happen. Today's announcement is a reminder that we will track down every member of a criminal organization, from violent foot soldiers to their uncaring leaders. We will not rest until they are arrested, tried, and face punishment.

I commend the GBI, Georgia State Patrol, DNR Game Wardens, Atlanta Police, DeKalb Police, the Fulton County Sheriff's Office, the DeKalb County Sheriff's Office, Attorney General Chris Carr, the DeKalb County D.A.'s Office, and all others who have helped to fight back against these extremists. Rest assured, if you endanger the people of Georgia, law enforcement like them will ensure

Draft statement regarding arrests of the activist backers:

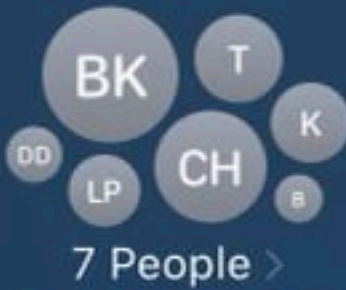

For months, law enforcement on the state and local level have worked diligently to secure the site of the Atlanta Public Safety Training Center in the face of violence from mostly out-of-state activists. They came to harass police officers and civilians, choosing destruction over legitimate protest. Thanks to our brave law enforcement, many of them have already been arrested. And today, we're proud to share that those who backed their illegal actions are also under arrest and will face justice.

These criminals facilitated and encouraged domestic terrorism with no regard for others, watching as communities faced the destructive consequences of their actions. Here in Georgia, we
